Electrotechnic School Slavonski Brod
Teacher of Informatics & Internet Technologies
2006 - 2008 (3 years)
Slavonski Brod, Croatia

Professor teaching about microprocessors, automation, computer hardware and operation systems. Professor of Internet technologies.

HPT / Hrvatski Telekom / Deutsche Telekom
IT & Internet Specialist
1994 - 2005 (12 years)
HT, Slavonski Brod / DC Utrine, Zagreb

DEC Alpha, VMS servers; HW, SW service; Internet technologies

It was not easy to work at HT / DT in Slavonski Brod. When the war ended I got a job, worked in HT as a system engineer, IT & Internet technology. I got a Task and not a job. My reference was engineer, science, IT tech specialist, specially for DIGITAL servers, 4 faculties studying, about 15 programming languages, and so on.

After almost 10 years of heavy mobbing, at the end of dangerous threats I left this "bad society". My career in HT / DT was over. Offer "Stay 3 more months, get more certification, and then go." was not an option.

Economy school Slavonski Brod
Teacher of informatics at Economy school
1994 - 1995 (2 years)
Slavonski Brod, Croatia

Teacher of informatics at Economy school Slavonski Brod. Microsoft Office, Internet, General Informatics.

Mario Laser d.o.o,
